

## New modes of teaching and learning

EMPOWER supports collaboration and sharing of expertise between European universities, and provides specialist advice and guidance for institutional leaders on the latest developments in online, open and flexible education. In this respect EMPOWER offers:

- Free independent advice
- Experience of about 100 trusted experts from more than 18 European universities
- Guidance for university leaders
- Expert panels for targeted reviews
- Support for strategic institutional initiatives
- A think-tank for re-imagining the future of higher education

### EMPOWER services:

#### 1. Join us online

The 12 EMPOWER expert pools regularly organise online events on topics related to developments, open for the public to join live or to be checked out afterwards in our archive of online events.

#### 2. Two day academy sessions

*Empower Online Learning Leadership Academy:* an exciting and unique professional development programme. Participants will have an opportunity to share experiences, both online and face-to-face and learn from a number of case studies, which attempt to reveal both the challenges and opportunities of leading in an era of change.

#### 3. EMPOWER on-site

Work closely together with invited experts on-site in direct relation with the institutional challenges on introducing and /or optimising new modes of teaching.

**4. Meet the experts** during the annual Online, Open and Flexible Higher Education Conference in October.

**5. Get the EMPOWER Annual advisory report** on latest trends and developments in new modes of teaching.
